1 double cage
with 6 compartments

Decomposable
in 2 individual basket

Modular

Cutlery basket

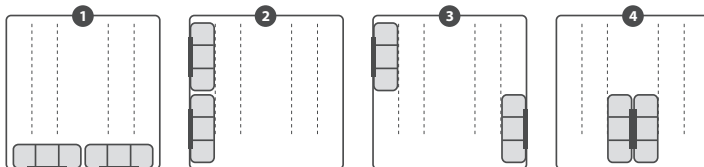

The perfect solution to optimise space in the dishwasher

CHARACTERISTICS

The Wpro **universal cutlery basket** is composed of **2 modular baskets** allowing to **create up to 4 different configurations** in the lower rack of the dishwasher. To attach them: remove the back of the handles, slide horizontally and detach it from the guides. Combine the two individual baskets with the same mechanism to **obtain a double cage with two compartments**. It is suitable for most of the dishwashers on the market.
