Disinfectant for air conditioning and fabrics • 400 ml

The solution for a quick and efficient elimination of 99,9 % of bacteria in your AC and on your fabrics

CHARACTERISTICS

The Wpro bromo spray disinfectant is ideal for the hands on consumer who wants to ensure a **total deep clean of their air conditioner**. The Wpro professional spray **sanitizes the fixed interior parts of every type of AC** including split and portable models. The special formula of the bromo spray is specifically produced to eliminate up to 99,9% of bacteria in air conditioners and textiles. The Wpro disinfectant spray is **certified by the Italian Ministry & Health** by the Presidio medico chirurgico Reg. n.18898.

ADDITIONAL INFORMATION

The disinfectant was tested according to virucidal tests with the method (UNI EN 14476+A2:2009). 97% of the results had virucidal action (R>/-4) against HUMANCORONAVIRUS 229E for an amount of contact time of 15 minsmin+/-10sec at a temperature of 20°C+/-1°C, with the presence of interfering substances (Albumina 3g/l + 3ml/l erythrocytes).

In addition it was also tested according to UNI EN 13697:2015, and as a result, is active against *Listeria monocytogenes* ATCC 7644. The test was conducted in a unsanitary environment (3g/l albumina) at a contact time of 5 minutes. The spray is also active against *Legionella pneumophila* ATCC 33152 with accordance to the testing method UNI EN 1276:2009/EC1:2011, which was also conducted in unsanitary conditions (0,005g/l yeast extract) with a contact time of 10 minutes +/-10 sec at a temperature of 20°C+/-1 °C.
