Stacking Frame for washing machine and tumble dryer

The optimal solution to save space in the laundry area

CHARACTERISTICS

The **wpro Stacking Frame** for washing machine and tumble dryer is the **perfect solution to save space in the laundry area**. Thanks to its high quality and the stable structure, it allows to stack the dryer over the washing machine. **Stability is further reinforced** with a belt placed around the two appliances (Safe-in-lock® system).

This practical accessory is **suitable for all washing machines of standard and slim dimensions (depth 45-60cm)**. The professional accessory is **straight forward to assemble** thanks to the detailed IFU included within the product.

The pack contains the following components:

- 8 adhesive anti-sliding rubber pieces
- 1 Safe-In-Lock® cover
- 1 belt with automatic tensioner
- 1 Cable tie
- 1 Hook
