

Removes food residues

Deodorises

Odour Absorber

The optimal solution to remove unpleasant odours from your fridge

CHARACTERISTICS

The Odour **absorber absorbs and removes unpleasant odours**, such as fish, cheese and vegetables from your refrigerator. It will last up to 3 months; the consumption of the gel will indicate the life left. The Odour absorber is made of a non-toxic gel that does not alter the flavour and taste of your food. Additionally the highly absorbent active carbons in the gel enables the complete removal of all unwanted smells.

THE RECOMMENDATION OF WPRO

Wpro recommends to regularly check the replacement indicator, to ensure optimal results.
