

Removes grease  
and burnt-on food

Protects the surfaces

## Gas Hob & Oven Care Kit

Complete cleaning set for spotless cooking surfaces

### CHARACTERISTICS

The Wpro professional Gas Hob & Oven Care Kit effectively **hygienizes and removes burnt-on food and grease deposits**, protecting the surfaces. The kit contains:

- **Stainless steel cream** (250 ml): removes burnt-on deposits and thanks to its chloride-free formula, provides a water-resistant and protective coating to the surface. Lemon fragrance.
- **Stainless steel spray** (500 ml): A ready-to-use professional spray that quickly cleans and protects all stainless-steel surfaces. Ideal for everyday maintenance, it leaves a uniform protective coating for long-lasting shine.
- **Oven & Grill degreaser** (500 ml): effectively eliminates burnt-on grease and residue. It is ideal for degreasing ovens, hotplates, barbecues, rotisseries and cooker hoods. Lemon fragrance.
- **Scotch-Brite™ microfiber cloth**: Innovative fiber combination. Lifts and traps dirt, dust particles and grease. Cleans without scratching most types of surface including stainless steel, with or without detergent.
