|                                       |                 |
|---------------------------------------|-----------------|
| Product group                         | Washing machine |
| Construction type                     | Free-standing   |
| Installation type                     | Free-standing   |
| Removable work top                    | No              |
| Loading type                          | Front loader    |
| Main colour of product                | Manhattan Grey  |
| Electrical connection rating (W)      | 1750            |
| Current (A)                           | 10              |
| Voltage (V)                           | 230             |
| Frequency (Hz)                        | 50              |
| Length of electrical supply cord (cm) | 170             |
| Plug type                             | UK              |
| Height of the product                 | 849             |
| Width of the product                  | 600             |
| Depth of the product                  | 580             |
| Net weight (kg)                       | 71              |

## TECHNICAL FEATURES

| Automatic programmes            | Yes        |
| Spin speed options              | Variable   |
| Skip spin                       | No         |
| Weight measurement              | -          |
| Textile type recognition        | -          |
| Degree of dirtiness recognition | No         |
| Foam control                    | Yes        |
| Balance control                 | Yes        |
| Type of water protection system | No         |
| Cold wash option                | No         |
| Progress indicator              | -          |
| Digital countdown indicator     | Yes        |
| Start delay options             | Continuous |
| Start delay time max. (h)       | 0          |
| Tub material                    | Plastic    |
| Drum volume (l)                 | 65         |
| Hot & cold water intake?        | No         |
