

Universal

Absorbs grease

Self extinguishing

Foam grease filter (470 x 970 mm - 100 g/m²)

The best solution to improve the quality of the air in your kitchen

CHARACTERISTICS

Foam grease filter is the universal solution for cooker hoods that filter grease vapors while cooking, giving a **more pleasant environment without unpleasant odours** and **leaving a clean, dirt-free kitchen**. The filter is self-extinguishing.

THE RECOMMENDATION OF WPRO

Replace every 3 months in order to maintain a good level of filtering.
