SENSING THE DIFFERENCE

## MAIN FEATURES

|                                            |                |
|--------------------------------------------|----------------|
| Product group                              | Side-by-Side   |
| Construction type                          | Свободностоящи |
| Installation type                          | Свободностоящи |
| Type of control                            | Electronic     |
| Main colour of product                     | Black Inox     |
| Electrical connection rating (W)           | 200            |
| Current (A)                                | 1,2            |
| Voltage (V)                                | 220-240        |
| Frequency (Hz)                             | 50             |
| Number of compressors                      | 1              |
| Length of electrical supply cord (cm)      | 2.15           |
| Plug type                                  | Europlug       |
| Number of compartments                     | 3              |
| Total volume of the product (EU 2017/1369) | 572            |
| Star Rating                                | 4              |
| Number of independent cooling systems      | 1              |
| Depth with open door 90 degree (mm)        | -              |
| Height of the product                      | 1820           |
| Width of the product                       | 908            |
| Depth of the product                       | 705            |
| Net weight (kg)                            | 127            |

## TECHNICAL FEATURES

|                                         |                                                 |
|-----------------------------------------|-------------------------------------------------|
| Warning signal / Malfunction            | -                                               |
| Defrost process fridge section          | Automatic                                       |
| Defrost process freezer section         | Automatic                                       |
| Fast cooling possibility                | No                                              |
| Fast freezing function (EU 2017/1369)   | Yes                                             |
| Door opened indicator freezer           | Yes                                             |
| Temperature adjustable                  | Yes                                             |
| Automatic motor-driven ice-maker        | Automatic Ice Machine with Tap Water Connection |
| Shelves for Bottles                     | -                                               |
| Number of shelves in fridge compartment | 3                                               |
| Material of the shelves                 | Glass                                           |
| Thermometer freezer section             | Digital                                         |
| Number of temperature zones             | 3                                               |
| Humidifying equipment                   | -                                               |

## ENERGY LABEL

|                                                                                               |                              |
