

Universal

Absorbs grease

With saturation indicator

## Foam grease filter with indicator (470 x 970 mm - 140 g/m²)

*The best solution to improve the quality of the air in your kitchen*

### CHARACTERISTICS

Foam grease filter is the universal solution for cooker hoods that filter grease vapors while cooking, giving a **more pleasant environment without unpleasant odours** and **leaving a clean, dirt-free kitchen**. The filter is self-extinguishing.

### THE RECOMMENDATION OF WPRO

With grease saturation indicator. Changing of filter is necessary when the indicator points have turned red.
