

Extra hygiene

Antiscaling action

Optimises performance

Dishwasher Care Kit

The triple-product solution for your dishwasher

CHARACTERISTICS

The Wpro Dishwasher Care Kit contains: **Multifunction dishwashing tabs (x 24):** New formula to clean, degrease and remove stubborn dirt. Dishes, glasses and stainless steel pots & pans will stay in perfect condition. Efficient at low temperatures saving energy and water. **Hygienizer & universal degreaser (250 ml):** The Wpro dishwasher cleaner optimizes performance and prolongs the life of your appliance. It eliminates grease deposits, food residuals and prevents any unpleasant odours, leaving your appliance in perfect condition. **Anti-limescale magnet:** Powerful magnets help to reduce the build up of limescale protecting the heating element. It can be used on washing machines or dishwashers.

THE RECOMMENDATION OF WPRO

Wpro recommends using the three professional products to achieve excellent results.

CONSUMER BENEFITS

- **3 products, just one shopping session:** with just one box you satisfy all of your dishwashers' needs
- **Efficient performance:** the action of the degreaser combined with the power of the tabs guarantees an anti-grease and anti-odour action for the benefit of your dishes, cutlery and glasses
- **Limescale prevention:** the usage of the limescale magnet acts before water even enters the machine, strongly affecting limescale formation
- **Universal:** all of the products within the kit are suitable for use on all Dishwashers of all brands
