

Total security with automatic Safe-in-lock®

Easy to install (instruction inside)

Fits any appliance depth 45-60cm

Slide-out shelf

Universal Stacking Kit for washing machine & tumble dryer

The optimal solution to save space in the laundry area

CHARACTERISTICS

The **Wpro universal stacking kit** is the **perfect solution to save space in the laundry area**. Thanks to its high quality and robust structure, it allows to stack the dryer on the washing machine in **total security**. It is **easy to install and fits any washing machine of standard and slim dimensions (depth 45-60cm)**.

To stabilise the installation, the stacking kit comes with a belt to place around the two appliances. **Practical**, its slide-out shelf allows to load, unload and fold laundry without bending over and **can support up to 15 kg**.

It includes the following accessories: 8 adhesive antisliding rubber pieces, 4 plastic rigid platelets, 1 "Safe-in-lock" automatic belt tensioner, a belt cover, a cable tie and a hook.
